Banking Branch 972 Ashland Road, Mansfield, Ohio 44905 Contact Number (419) 589-7807 County Richland Service type Full service, brick and mortar office Date of establishment 01/01/1886 Routing numbers are also known as bank routing numbers, routing transit numbers, RTN, ABA numbers and sometimes SWIFT codes (although these are very different from routing numbers as SWIFT codes are used exclusively for international wire transfers while routing numbers are used for national transfers). Routing numbers differ for control and savings accounts, prepaid cards, IRA, credit lines and wire transfers. Usually all banks have different routing numbers for each state in the United States. You can find the routing number for the Mechanics Bank in Ohio here. Total activity: The sum of all property owned by the institution, including cash, loans, securities, bank premises and other assets. This total does not include off-balance-sheet accounts. RSSD: The single number assigned by the Federal Reserve Board (FRB) to the high-level banking holding company. That's what this is.
